

PANIPAT INSTITUTE OF ENGINEERING AND TECHNOLOGY, PANIPAT

Department of Computer Applications (MCA)

Year 2016-2017

Feedback Analysis of Stakeholders and Action Taken Report 2016-2017

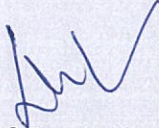

Sr.No	Stakeholder	Sample Size
1	Student(MCA)	72
2	Teacher	12
3	Alumni	20

S. No	Stakeholder Name	Feedback	Action Taken
1	Student	1. Majority of students have expressed their satisfaction over almost all criterions related to syllabus quality, balance between core and applied subjects, sequence of subjects, Credit hours and lab facilities etc	No action required
		2. Students also had shown satisfaction over evaluation criterion and technical skills (9 and 11 to14).	No action required
		3. Areas where improvements suggested by student feedback are number of books available in library and department effort to improve communication skill i.e. question no (6, 10).	Need to order new books. Need to arrange extra communication classes for students.
		4. Some students suggested that student should be allocated some mini projects on advanced topics to improve their technical skill.	Need to allocate mini projects on advance topics to students.

2	Teachers	1. Overall faculty feedback on curriculum was satisfactory but faculty suggested some improvements regarding no of books in library should be increased with additional title i.e. question no (8).	Need to orders new books in library.
		2. Faculty should be allocated some project work to brush up their technical skills.	Need to assign some projects to faculty to brush up their technical skills.
3	Alumni	1. Alumni showed their overall satisfaction over the time availed to them for preparation of theory and practical part both.	No action required
		2. They suggested laboratory courses of curriculum including list of experiments needed to be improved.	Some new experiments were added to program files.
		3. They suggested that a greater number of text and reference books should to be added.	New titles satisfying the need brought to the central library

List of Action Taken:

- New books were ordered from library.
- Extra communication classes were arranged.
- Small projects were assigned to students.
- Trainings were arranged by the placement cell for communication skills and soft skills.
- Project like Feedback Analysis and Test taking Software was assigned to faculty for development purpose.
- Flip classes were conducted for the students.
- Practical list updated.
- New titles were added in the library.
