

**PANIPAT INSTITUTE OF ENGINEERING AND TECHNOLOGY  
PANIPAT**

**DEPARTMENT OF BUSINESS ADMINISTRATION  
COURSE PLAN**

**Name: - Priti Singh**

**Subject Name: - Environment studies**

**Branch/Semester: - II sem**

**Subject Code:- BBA-115**

| <b>Sr<br/>.<br/>No<br/>.</b> | <b>Lectu<br/>re No.</b> | <b>Topics To Be Covered</b>  | <b>Planned on</b> | <b>Covered<br/>On</b> | <b>Rem<br/>arks</b> |
|------------------------------|-------------------------|--|-------------------|-----------------------|---------------------|
| 1                            | L 1                     | Multidisciplinary Nature of Environment  | 3/1/2020          |                       |                     |
| 2                            | L 2                     | Natural Resources introduction   | 6/01/2020         |                       |                     |
| 3                            | L 3                     | Explain Role of an Individual in Conservation of natural Resource              | 7/01/2020         |                       |                     |
| 4                            | L 4                     | Renewable and Non Renewable resources  | 11/01/2020        |                       |                     |
| 5                            | L 5                     | Ecosystem introduction   | 13/01/2020        |                       |                     |
| 6                            | L 6                     | Introduction ,Type, Characteristics Features, Features, structure of Ecosystem | 16/01/2020        |                       |                     |
| 7                            | L 7                     | Ecological Succession  | 17/01/2020        |                       |                     |
| 8                            | L 8                     | Producers, Consumers and decomposers   | 21/01/2020        |                       |                     |
| 9                            | L 9                     | Forest Ecosystem   | 23/01/2020        |                       |                     |
| 10                           | L 10                    | Grassland Ecosystem  | 25/01/2020        |                       |                     |
| 11                           | L 11                    | Desert Ecosystem   | 30/01/2020        |                       |                     |
| 12                           | L 12                    | Aquatic Ecosystem(Ponds,Streams,Lakes,Rivers, Oceans,Estuaries)                | 03/02/2020        |                       |                     |
| 13                           | L 13                    | Biodiversity and Its Conservation Introduction                                 | 6/02/2020         |                       |                     |
| 14                           | L 14                    | Biogeographically Classification of India                                      | 9/02/2020         |                       |                     |
| 15                           | L 15                    | Value of Biogeographically Classification of India                             | 13/02/2020        |                       |                     |
| 16                           | L 16                    | Value of biodiversity-Consumptive Use, Productive Use,Social,Ethical Values    | 15/02/2020        |                       |                     |
| 17                           | L 17                    | Hot spots of diversity   | 20/02/2020        |                       |                     |
| 18                           | L 18                    | Threats to Biodiversity:Habital Loss, Poaching of wild life ,manmade           | 22/02/2020        |                       |                     |
| 19                           | L 19                    | Endangered and endemic species of  | 24/02/2020        |                       |                     |

|    |      |  |            |  |  |
|----|------|--|------------|--|--|
|    |      | India  |            |  |  |
| 20 | L 20 | Environmental Pollution Introduction and types of Pollution          | 25/02/2020 |  |  |
| 21 | L 21 | Disaster Management –Flood, Earthquake,cyclone,and landslides        | 26/02/2020 |  |  |
| 22 | L 22 | Social Issues and the Environment                                    | 4/03/2020  |  |  |
| 23 | L 23 | Resettlement and rehabilitation of People ;its problems and concerns | 6/03/2020  |  |  |
| 24 | L 24 | Climate change –global warming and its effects                       | 7/03/2020  |  |  |
| 25 | L 25 | Acid Rain ,Ozone Layer depletion , nuclear accidents                 | 9/03/2020  |  |  |
| 26 | L 26 | Environmental Ethics :Issues and Possible solutions                  | 11/03/2020 |  |  |
| 27 | L 27 | Environment Protection Act and wild life protection act              | 13/03/2020 |  |  |
| 28 | L 28 | Issues involved in Enforcement of Environmental legislation          | 15/03/2020 |  |  |
| 29 | L 29 | Public awareness regarding this problem                              | 16/03/2020 |  |  |
| 30 | L 30 | Human Population and the environment                                 | 17/03/2020 |  |  |
| 31 | L 31 | Population Growth ,Variation among nations                           | 18/03/2020 |  |  |
| 32 | L 32 | Population explosion -Family welfare Programme                       | 19/03/2020 |  |  |
| 33 | L 33 | Human Rights   | 20/03/2020 |  |  |
| 34 | L 34 | Value Education –HIV/Aids  | 21/03/2020 |  |  |
| 35 | L 35 | Drugs and their Effects  | 22/03/2020 |  |  |
| 36 | L 36 | Concepts of drug de-addiction  | 23/03/2020 |  |  |
| 37 | L 37 | Legal Position on drug and laws relatedto drugs                      | 24/03/2020 |  |  |
| 38 | L 38 | Woman and child welfare Programme                                    | 25/03/2020 |  |  |
| 39 | L 39 | Role of information Technology in Environment and human health       | 26/03/2020 |  |  |
| 40 | L 40 | practical  | 27/03/2020 |  |  |
