**PANIPAT INSTITUTE OF
ENGINEERING & TECHNOLOGY**

(Approved by AICTE, New Delhi & Affiliated to Kurukshetra University, Kurukshetra)

Global exposure with our **centre of excellence**

 <p>Berkeley UNIVERSITY OF CALIFORNIA University of California, Berkeley, USA Smart City Accelerator Programme</p>	 <p>ChungBuk National University, ChungBuk, Korea Artificial Intelligence and Machine Learning</p>	 <p>Australian Institute of Water Science Waste Water Treatment and Incubation Centre</p>	 <p>Intel for Internet of Things (IoT)</p>
 <p>SU-KAM® POWER SYSTEMS LTD Solar Power Engineering</p>	 <p>Dell COE Big Data Analytics and Cloud Infrastructure</p>	<p>Interactiv Interactive COE BIM Technology for Civil Engineering</p>	 <p>Cyber OPS Infosec Training in Cyber security</p>

Expanding Horizons with **International Academic Tie-ups**

PIETians undergoing summer training @ Sand Profile Germany

Providing international exposure with T&P Cell

Reputed industrial houses across the country visit the Institute regularly for the Campus recruitment programs. The T&P Cell maintains a cordial relationship with all the recruiting industries and also prepares the recruited candidates to face the competitive world. Students are also sponsored to overseas companies in the USA, the UK, Sweden, Germany, Holland, Czech Republic etc. for practical training on merit basis after rigorous screening process.

PIETians at NJIT (USA)

Identifying talent with New Jersey Institute of Technology

PIET has collaborated with New Jersey Institute of Technology (NJIT, New Jersey, USA) to enhance and strengthen a joint academic research programme. Under the aegis of this collaboration, the students and faculty will undertake joint research. There has been a dynamic exchange of scholarships between two sides.

Our Coveted **Global Tie-ups**

Yes PIET makes dreams possible!

PM Modi live @ PIET

Our Hon'ble Prime Minister, Shri Narendra Modi, envisages the concept of Digital India to bridge the digital gap in our country and to promote digital literacy. In order to make the PM's vision come true, MHRD, All India Council for Technical Education (AICTE), Inter-Institutional Inclusive Innovation Center (i4C), and Persistent Systems organised Smart India Hackathon.

AI Based Evaluation

The institution has one of its kind Artificial Intelligence based examination evaluation system, the process assists the student in understanding the gap and deficiencies in his concepts and subsequently the conceptual gray areas are addressed by the Faculty.

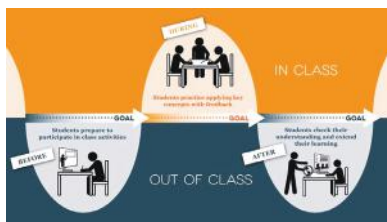

LEAD Workshop

Leaders of the future not only stay ahead of the technology curve, but possess the practical wisdom to influence the world. PIET organises LEAD (Learn, Engage, Assimilate and Develop) Workshop, along with several other learning programmes, to foster holistic skill-sets of leadership.

Startup Incubation Centre

Committed to nurture thought leaders and nation builders of tomorrow, we at PIET have created Haryana's first state of the art Startup Incubation Centre. Equipped with all the latest amenities along with sufficient technological support to provide a perfect environment for emerging global business leaders.

Flipped & Blended Learning

As a future-ready institute, PIET equips students for a tech-driven world with cutting-edge frameworks of education. Flipped and Blended Learning is one such initiative that breaks classroom monotony and introduces students to the lessons via audio-visual content.
