**Achieve International Qualification in Less Than A Lakh Rupees**

**IMA (Institute of Management Accountants)** is the worldwide association of accountants and financial professionals in business. Founded in 1919, is one of the largest and most respected associations focused exclusively on advancing the management accounting profession.

### Key Highlights

IMA's Certification for  
Accountants and  
Financial Professionals  
in Business

- The CMA certification may be a gateway to a more successful business career.
- Acquiring new skills, such as strategic insight.
- A variety of positions with titles from financial analyst to vice president, and controller.
- Greater credibility both domestically and abroad as a strategic advisor and business partner.
- Three exam testing windows offered each year January and February May and June, September and October.
- The trainers from ISDC would provide training for 60 hours for each part, that is, a total of 120 hours for both the papers. The training will be conducted in college.
- Students will be provided with Wiley CMAexcel Text Books, which is the official study material recommended by IMA. This is a comprehensive study kit to ace in the CMA exam.

**GET DUAL QUALIFICATION: UNIVERSITY DEGREE + CMA CERTIFICATION FROM IMA, USA**
