National Science Day Celebration-2019, 28th Feb, 2019

The “National Science Day Celebration-2019” was conducted successfully on 28th Feb, 2019 by Applied Sciences and Humanities Department, P.I.E.T. The event was organized under the leadership of Dr. Vinay Khatri, HOD, ASH and faculty coordinators of ASH – Dr. Poonam Verma, Ms. Vinod Kumari and Ms. Geetanjali.

The event was inaugurated by Sh. Rakesh Tayal, Vice-Chairman BOG, P.I.E.T, Mr. Shubham Tayal, Member BOG, P.I.E.T and Dr. Vinay Khatri – HOD, ASH with the lighting of the ceremonial lamp. This was followed by welcome address delivered by Ms. Geetanjali, Coordinator of the program highlighting the significance of celebrating the Science Day in remembrance of Sir Chandrashekhara Venkata Raman for receiving the noble prize for discovery of Raman Effect. She has also thrown light on the theme of this year’s science day “Women in Science” and the role of science and technology in our daily life too.

A plethora of exciting and trending topics were presented by the eminent speakers – Prof. (Dr.) Shakti Kumar, Director, P.I.E.T, Dr. Vinay Khatri, HOD, ASH and the female faculties of ASH department- Ms. Tannu Sharma, Ms. Vinod Kumari and Ms. Manju. Incorporating the theme of this year, all the presentations were given by women of ASH department who clearly reflected the advancement of women in Science and in each and every domain of life. India has been home to Excellence in Science since the Vedic times and women in India are nowhere behind anyone in the world.

A beautiful speech was also delivered by Ms. Sanjeevani, daughter of Prof. (Dr.) Vijay Kaushik, ASH. The young girl brilliantly presented her views on the importance of science and technology for our present generation. Dr. Vinay Khatri, HOD, ASH talked about Lasers. She beautifully showcased the effectiveness of Lasers from entertainment to devastation. Our students and faculty were thrilled to know the various applications of Lasers in the real life world. Her suggestions gave a new perspective on available opportunities. Worthy Director – Prof. (Dr.) Shakti Kumar highlighted the present day scenario of science and technology and added a note on the research areas

gaining significance at India and global level. He also spoke on various challenges to be taken up in the field of science and technology and role of engineers and scientists in developing our country.

Sh. Rakesh Tayal, Vice Chairman, P.I.E.T congratulated and appreciated the organizers and the whole department for organising such a wonderful session on this very day. The program concluded with vote of thanks delivered by Dr. Vinay Khatri, HOD, ASH who has thanked the team of organizers, management, worthy director, and all the heads of various departments for their support in organizing the event successfully.

It was indeed a very knowledgeable day in which the main motive was to spread a message about the importance of Science used in the daily life of the people.
