Blood Donation Camp

There is no great joy than saving a soul.”
“A life may depend on a gesture from you,
a bottle of **Blood.**” “To give **blood** you
need neither extra strength nor extra food,
and you will save a life.” “If you're a **blood
donor**, you're a hero to someone,
somewhere, who received your gracious
gift of life.

Cloud on AIR

Cloud computing is a type of **computing** that relies on shared **computing** resources rather than having local servers or personal devices to handle applications. In its most simple description, **cloud computing** is taking services ("cloud services") and moving them outside an organization's firewall.
