Computational Intelligence: Methods, Models and Real-World Applications (ICCIMMR)

21st- 22nd Aug, 2026

Approved by
IEEE Delhi Section

IEEE Conference
Record Number: 71310

IMPORTANT DATES

- 6th APRIL 2026
Full Paper Submission
- 26th MAY 2026
Paper acceptance notification
- 23rd JUNE 2026
Camera ready paper submission
- 5th JULY 2026
Early fee registration
- 21st JULY 2026
Late fee registration

Conference Theme

Theme of the conference “Computational Intelligence: Future of Adaptive Systems” explores next-generation self-learning systems that adapt to real-world challenges, fostering global collaboration to shape the future of intelligent, autonomous technologies.

Conference Tracks

- Track 1: Computation Algorithms
- Track 2: Optimization Techniques
- Track 3: Cyber Physical System and Intelligent System
- Track 4: Machine Learning & Data Science
- Track 5: AI and Fuzzy Logic
- Track 6: Quantum Computing
